REFURBISHED
DIGITAL VIDEO DISPLAY

12' X 25' - 20MM

MODEL D SIZE:
12' X 25' - 20MM

This product is ideal for small sports arenas like football and baseball fields at the high school and small collegiate level. Product can be used to show live game stats, player profile, scores, and pre-recorded videos, promote booster programs, and communicate relevant information to your attendees. Live feed and replay capability is available at an additional cost.
